Martin Turner 2002

Melody

5 I hate tra-vel-ling All that wret-ched tra-ve-lling

7 all the hea-vy bagsto lift all the wea-ry miles to shiftand I hate tra-vel-ling

10 All that wret-ched tra-ve-lling Wishthat I could find a placeto just sit down.

13 All the ghosts and ghoul-ies in the world may find me

15 All the thieves and rob-bers read my mind. oh - - yes.

17 Nas-ty peo-ple walk-ing on the road be-side me

19 No-one I would trust to tell the time!
